

MAY 28 1969

OFFICE OF  
ASSISTANT SECRETARY

UNITED STATES  
DEPARTMENT OF THE INTERIOR  
WASHINGTON

14a

May 26, 1969

Dear Josh:

Thank you for the material on chlorine. I will try to keep my eye on this matter.

I heard that you have been writing on the problem of nickel as an environmental pollutant. Could you send me a copy of that article plus any back-up material you may have.

Cordially yours,

✓  
enclosed.
